

Tuck & Roll Preschool: School Year 2023-24

Thank you for being a part of Tuck & Roll Preschool! We look forward to the opportunity to work with your child as they grow throughout the year.

Our Preschool is within Mt Si Gymnastics Academy which gives us the unique twist of a preschool & gymnastics combination. We come alongside our preschoolers to help them gain important knowledge, skills, and behavior which are critical for a lifetime of positive learning experiences. We intentionally lay this foundation while nurturing their creativity and curiosity.

Our curriculum includes learning the alphabet, letter of the week, shapes and colors, numbers and counting, calendar: days of the week, months of the year and seasons, fine and gross motor skills, and social development. We also provide gymnastics lessons to develop strength, flexibility, balance, coordination, and fun! Indoor recess is perfect in this northwest weather.

Overall, we strive to provide the building blocks to help our students prepare for transitioning to Kindergarten.
